Acknowledgement: We/I acknowledge that Western University is located on the traditional lands of the Anishinaabek (Ah-nish-in-a-bek), Haudenosaunee (Ho-den-no-show-nee), Lūnaapéewak (Len-ahpay-wuk) and Attawandaron (Add-a-won-da-run) peoples, on lands connected with the London Township and Sombra Treaties of 1796 and the Dish with One Spoon Covenant Wampum. This land continues to be home to diverse Indigenous peoples (e.g. First Nations, Métis and Inuit) whom we recognize as contemporary stewards of the land and vital contributors of our society.

The PHETE SIG in 2020 hoped to build on the momentum developed from last year's pre-conference and two multi-paper presentations held at UBC. CSSE clashes in the same month as the PHE Canada national conference so this has created a dilemma for physical education and health education scholars each year. The earlier deadline calls for proposals by CSSE and the clash with PHE Canada national conference makes it financially challenging for the normal cohort of 20+ members to attend both conferences. However, this year at Western we had attracted 10 sessions for the conference with over 20 delegates expected.

This year PHETE has two conference co-chairs. Dr. Tim Hopper as current chair and Dr. LeAnne Petherick as incoming chair for 2020.

Summary of key information from last year:

- a. Budget - \$426.23 on May 26 (membership for this year not added/reconciling of 2019 conference costs may not be complete)
- b. Budget - \$602.18 on 26 June, 2018 after expenses of \$257.25 from 2017 and \$72.61 from PHETE AGM 2018.
- c. New membership dues will be \$180. Expected expenses this year \$250.
- d. Membership: 2017-18 = 13 listed members,  
2018-19 = 18 listed members.  
2019-20 = 20 active members.

2020 conference call resulted in 10 proposals (see appendix B).
