CATE Awards Event

Award recipient's scholarship will be honoured with responses from the review panel at the CATE post-AGM celebration of Teacher Education in Canada. Applicants must indicate that they will be able to present their thesis/dissertation research in poster or showcase format at the CSSE conference in 2025. The students'/graduates' faculty supervisors will be invited to provide a short acknowledgement of the award winners and their studies for the website. Successful applicants will receive a certificate of recognition and free membership to CATE in the subsequent year; however, any costs related to conference registration and attendance are to be covered by the grant recipient.

*Note : Submissions by graduate supervisors will not be considered.
